Profile Summary

Motivated PHP Developer with hands-on experience in Laravel and WordPress, complemented by a solid foundation in HTML5, CSS5, PHP, MySQL, AJAX, Livewire, Bootstrap, TailwindCSS, and jQuery. Despite being early in my career, I have successfully completed several freelance projects, showcasing my ability to deliver high-quality web solutions. I hold a Bachelor's degree in Mechanical Engineering and an MBA, bringing a unique blend of technical expertise and business acumen to my work. Known for my quick learning ability, problem-solving skills, and teamwork, I thrive in challenging environments and am always eager to expand my knowledge and tackle new projects.
